VISUAL WARNING

CONFORMABLE ANTI-SLIP TAPE

Extremely durable anti-slip traction system designed to conform to irregular or uneven surfaces. The self-adhesive, high traction tape has a special aluminium backing which allows it to stick to rugged surfaces and around corners without losing performance. Ideal for ladder rungs, steps, walkways and diamond plate decking, it is equally effective indoors or outside.

Use with surface primer and edge sealing compound to form an unbeatable, long lasting system.

STANDARD PACKAGE: 1 ROLL OR PACK

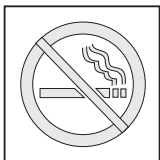

Part No.	Description	Dimensions	Price (EX GST)
843818	Cleat - Pk 50	150 x 600mm	\$979.00

VISUAL WARNING

ANTI-SLIP CLEAR SURFACE COATING

Create durable slip-resistant surfaces around the home and workplace. With UV filter it ensures durability in harsh weather conditions. The unique formulation provides uniform coverage and is easy to apply to any interior/exterior brick, concrete, slate, clay, pavers, unglazed tiles, sandstone, fibreglass and primed metal.

This system comprises of two products - Sealer and Tread. If your surface isn't sealed, you will have to apply the sealer first and then apply tread. Coverage per coat is three to four square metres per litre. A second coat is recommended for heavy traffic areas or very porous surfaces. Not recommended for timber.

Complies to AS/NZ 3661:1. Slip Resistance of Pedestrian Surfaces.

STANDARD PACKAGE: 1

Part No.	Description	Size	Price (EX GST)
843819	Tread Clear	4L	\$129.00
843820	Tread Clear	20L	\$489.00
843821	Clear Sealer	4L	\$95.00
843822	Clear Sealer	20L	\$429.00

ANTI-SLIP STAIR NOSINGS

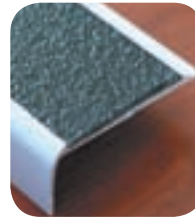

A necessity for busy stairways, these Anti-Slip Stair Nosings ensure grip on steps, whether outdoors or indoors. The Grit finish is designed for outdoor use, being a stronger compound and offering substantially more traction. The Rubber finish is designed for indoor use. Easy to install, the Aluminium Extrusions are pre-drilled and come in pre-cut 900mm or 1200mm lengths. Carpet-friendly extrusions available, which feature 'grippers' so nosing doesn't move. Simply choose the appropriate kit to suit your application. Kit includes self-adhesive anti-slip inserts (grit or rubber), stainless steel screws and plastic screw anchors. Simply use an 8 gauge drill-bit for surface. Kit and Extrusion required for each individual step.

Meets width and luminance contrast requirements of BCA 3.2 and AS/NZS 1428.1:2001. Both surfaces tested to AS/NZS 4586:2004 – Grit R13, Rubber R10

Part No.	Description	Colour/Style	Price (EX GST)
859813	900mm Aluminium Extrusion	Standard	\$29.90
859814	1200mm Aluminium Extrusion	Standard	\$34.90
859815	900mm Aluminium Extrusion	Carpet	\$42.50
859816	1200mm Aluminium Extrusion	Carpet	\$49.90
861004	900mm Kit (Grit)	Black	\$79.90
861005	900mm Kit (Grit)	Yellow	\$79.90
861006	900mm Kit (Grit)	Grey	\$79.90
861008	1200mm Kit (Grit)	Black	\$109.00
861009	1200mm Kit (Grit)	Yellow	\$109.00
861010	1200mm Kit (Grit)	Grey	\$109.00
861012	900mm Kit (Rubber)	Black	\$17.90
861013	900mm Kit (Rubber)	Yellow	\$17.90
861014	900mm Kit (Rubber)	Grey	\$17.90
861016	1200mm Kit (Rubber)	Black	\$24.90
861017	1200mm Kit (Rubber)	Yellow	\$24.90
861018	1200mm Kit (Rubber)	Grey	\$24.90

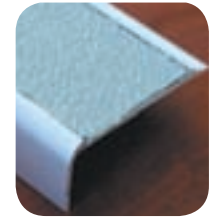

Note: The Carborundum surfaces are considerably more expensive because they offer a substantially greater level of traction.

Grit Black

Rubber Yellow (carpet)

Grit Grey

VISUAL WARNING

ANTI-SLIP ANGLED PLATES

High quality carborundum material rated to R13 is perfect for when the use of Stair Nosings is not practical, such as on the rungs of ladders or when the priority is performance at minimal cost.

Heavy duty, epoxy coated and UV stabilised, the plates come with screws and pre-drilled holes ready to be installed, and extends 25mm. Temperature resistant from -40°C to +90°C.

Surface tested in accordance with and exceeds AS/NZS 4586:2004.

STANDARD PACKAGE: 1

Part No.	Dimensions	Price (EX GST)
870761	50 x 900mm	\$79.90
870762	75 x 900mm	\$105.00
870763	100 x 900mm	\$129.00
870764	50 x 1200mm	\$105.00
870765	75 x 1200mm	\$135.00
870766	100 x 1200mm	\$169.00

HANDRAIL DOMES

Constructed from 316 marine grade stainless steel, this raised button indicator is designed to meet access standards and BCA in applications where tactile ground surface indicators are deemed not to be required. Includes additional Braille to clearly define application, whether it be a stair or ramp.

Supplied in pairs for application on top and bottom of stairs, or as ramp rails in either left or right hand configurations. Adhesive backing.

STANDARD PACKAGE: Pair

Part No.	Description	Price (EX GST)
872369	Stair Rail - Left	\$115.00
872370	Stair Rail - Right	\$115.00
872371	Ramp Rail - Left	\$115.00
872372	Ramp Rail - Right	\$115.00
