

The **Next Small Thing** in **Fast Labeling**

ACTUAL SIZE

It Pays to Think Small

The new Brady MiniMark™ Industrial Label Printer offers an affordable sign and label making solution that is compact, fast, and incredibly versatile.

Brady's MiniMark printer is ideal for:

- Signs
- Pipe Markers
- Equipment ID
- General ID
- Racks and Shelving
- Panel ID
- Procedures
- Asset Management
- And much, much more

Big Benefits in a Small Package

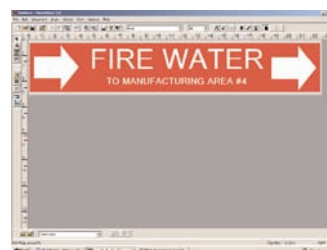

- VERSATILE – Uses continuous tapes for multiple applications
- EASY – Supplies are easy to load
- FAST – Prints up to three inches per second
- COMPACT – Doesn't take up a lot of space in work areas
- Available with parallel, serial, and USB connectivity
- Built-in cutter minimizes waste

MarkWare™ Facility Identification software delivers big advantages

Creating your signs and labels is fast and easy with MarkWare software, a powerful tool to complement your use of the MiniMark printer. Use your PC to quickly design professional-looking signs and labels, and print directly to a Brady labeling system or most Windows® inkjet and/or laser printers.

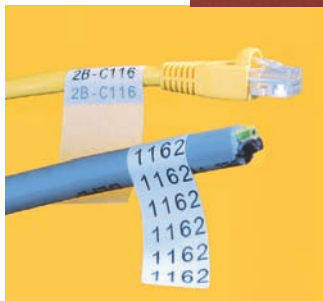

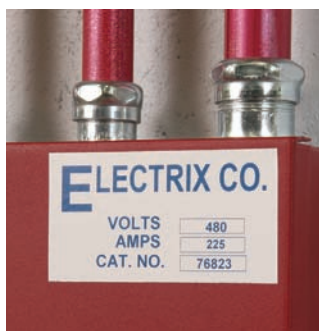

- Preformatted templates provided for quick and easy label creation.
- Create pipe markers in seconds with the special pipe marker text and graphics.
- Use any font on your PC.
- Choose from over 1,000 safety symbols and industrial pictograms.
- Import logos, photos, and other graphics in a variety of different file formats.
- Create bar codes using 15 different symbologies.
- Customize label layouts to your own specifications with the complete drawing tool kit.

For fast, versatile labeling, think small. Think Brady MiniMark.

Meeting every need for faster, better Facility ID

On-the-spot-ID

The HandiMark® Portable Label Maker lets you create custom labels wherever you need them – in the office, throughout the plant, or even in the field – all on-the-spot and at a fraction of the cost of custom printed or engraved labels.

Need Color Signs Fast?

The GlobalMark® Industrial Label Maker offers multi-color signs and labels, and die cut shapes and letters up to 4" wide – just touch the screen, print, and your label is ready to go. Available in MultiColor, MonoColor, and Color & Cut systems for the flexibility and features you need.

When it needs to be BIG

With the PowerMark® Sign and Label Maker, you can print multi-color signs and labels up to 10" wide for big, bold messages that increase safety and improve productivity throughout your facility.

Both GlobalMark and PowerMark printers allow you to select from a wide variety of specialty materials including glow-in-the-dark, tagstock, reflective, and magnetic. Find more information at www.bradyid.com.
