DYMO® LabelManager 350

PERSONALISES IMPORTANT THINGS

ADVANCED DESKTOP LABEL PRINTER FOR PROFESSIONAL LABELS

13 styles

6 fonts

4 tape widths

NDC4781

LabelManager 350 is the key to organising your office down to the smallest detail, so you never have to waste time searching for things again. From files and CDs to in-trays and supplies, everything is organised and close to hand. Its durable tape sticks on to nearly every clean surface for a tidy and professional working environment.

PERFECT FORM AND FUNCTION

Thanks to its simple keyboard, logical navigation and intuitive software instructions, you'll be making any desired labels in no time at all. With the clear 16 character semi graphical display you can immediately see your label as you create it for easy editing. The labelmaker also offers as many as six fonts and thirteen styles – you can even print up to three lines of text. Its extensive memory allows you to save

nine personal labels as well as the last nine labels printed and nine label template preferences, saving time re-creating favourite labels. Add alkaline batteries and you're ready to label wherever you like! Moreover, you can use a wide range of different colours and sizes of tape up to 19mm wide.
