DYMO® LabelWriter Duo

TWO MACHINES PACKED INTO ONE

THE EASIEST WAY TO PRINT LABELS FROM YOUR PC OR MAC

TOP UNIT : DIE CUT LABELS

16 label types

55 labels per minute

BOTTOM UNIT : CONTINUOUS TAPE

5 tape widths (up to 24mm)

15 tape / print colour combinations

The LabelWriter Duo brings together the best of both DYMO label worlds, combining the support of die-cut paper labels with long lasting continuous tape labels available in various colours and tape widths. This machine is simply the most versatile label printer in the world. No one else is even close. The innovative concept of the LabelWriter Duo combines a LabelWriter 400 Turbo with a LabelManager, enabling printing on die-cut labels and on durable tape. Duo is the ultimate labelmaker. Print the perfect label for any application.

16 LABEL TYPES, 5 TAPE WIDTHS, COUNTLESS POSSIBILITIES

PROVEN EXCELLENCE

LabelWriter Duo creates a new dimension in a professional, state-of-the-art label machine. There is nothing comparable on the market. Duo achieves a completely new level of flexibility, quality and productivity. The top of the machine incorporates a full function LabelWriter 400 Turbo printer. It handles labels up to 60 mm wide in a variety of specialised shapes and all at 300 dpi for high quality printing. The bottom enables continuous printing on durable 6, 9, 12, 19 and 24 mm tape. All enclosed by a great design and compatible with both PC and Mac through a USB port. This performance is unmatched anywhere.

THE ULTIMATE LABELER

The DYMO LabelWriter Duo is truly a next generation label printer for all occasions. It optimises productivity and creates a professional, versatile and efficient working environment as well as projecting a powerful and even elegant image of your company.

The Duo is the ultimate tool for printing great looking labels in seconds. Databases can be mail-merged and printed in three simple clicks of your mouse. Labels for envelopes, files, media, shelves and even cables are just the beginning. The only limit is your imagination.
