

## PHOTO IDENTIFICATION TAGS

Photo Identification tags make it easy to identify individuals working on equipment and add visual impact to your safety message. Photographs can be taken with most photo I.D. cameras. These tags provide long lasting protection and are available in two materials.

### HEAVY DUTY LAMINATED TAGS

To use, simply sign tag, place photo in designated area, insert tag into over-laminate pouch and run through your own heat laminator. Tag has chamfered corners and 11mm hole. Photo area is 21mm x 21mm.

#### STANDARD PACKAGE:

- 10 – 131mm x 70mm paper tags.
- 10 – 138mm x 76mm overlaminated pouches.

### SELF-SEALING LAMINATED TAGS

These tags are rigid vinyl with a polyester overlaminated flap. To use, employee signs tag, places photo on tag and applies self-sticking laminate to front of tag. Tag has chamfered corners and heavy-duty 11mm brass grommet. Photo area is 21mm x 21mm.

#### STANDARD PACKAGE:

- 10 identical 144mm x 76mm tags.

| Part Number | Description                |
|-------------|----------------------------|
| 69500       | Heavy Duty Laminated Tag   |
| 69501       | Self-Sealing Laminated Tag |

## TIE-OUT LOCKOUT TAGS

Tough 85mm x 160mm Polypropylene Tags resist dirt, grease and moisture. Self locking, no need for string or ties.

#### STANDARD PACKAGE: 25

| Size         | Price (EX GST) |
|--------------|----------------|
| 85mm x 160mm | \$30.50        |
