

GLOBALMARK™ PRINTING SYSTEMS

COLOUR & CUT SYSTEM (Part No. 76801)

- Prints in one colour, multiple spot colours and blended colours.
- Unit has a built-in cutter for cutting out images and sign letters.
- With optional MarkWare™ label making software, import and print full colour logos, artwork, even photographs.
- The MarkWare™ software also enhances your ability to precision-cut intricately detailed images.
- Tape Save feature.

MULTICOLOUR SYSTEM (Part No. 76800)

- Prints the same colour options as the Colour & Cut system, including the optional MarkWare™ software enhancements, without the cutter.

MONOCOLOUR SYSTEM (Part No. 76798)

- Prints one colour only on one colour tape. It is also capable of using the library of MarkWare™ ready-to-print templates.
